

Old Central's rich history reaches beyond Galveston Island.

Your donations or annual membership to Old Central Cultural Center will go toward operating expenses, program offerings, maintenance and repair of Old Central Center and Jack Johnson Park. These two properties collectively preserve our past for our youth about the history of Galveston's African Americans citizens and education.

We hope you will donate or become a member of Old Central. Every gift and/or membership is meaningful to us and will help us preserve our history for future generations.

Best wishes,

Pete Henley
Board President
